In re Application of
Liu, et al.
Application No. 08/822,963
Filed: March 21, 1997
Attorney Docket No. ENZ-56

DECISION ON PETITION

This is a decision on the petition to revive under 37 CFR 1.137(b), filed January 11, 2002.¹

The petition is **GRANTED**.

The above-identified application became abandoned for failure to timely file a proper response to the final Office action mailed October 11, 2000. No extensions of time under 37 CFR 1.136(a) were obtained. No response having been received, the above identified application became abandoned on January 12, 2001. A Notice of Abandonment was mailed on May 9, 2001.

With the instant petition, petitioner filed a proper reply in the form of a Request for Continued Examination (RCE), including the required submission in the form of an amendment and an Information Disclosure Statement. In addition, petitioner paid the petition fee and included a proper statement of unintentional delay.

¹ The petition was apparently lost by the USPTO. Petitioner included a USPTO date stamped postcard receipt showing that the petition was filed in the USPTO on January 11, 2002. The Office apologizes for the delay.

The petition fee of \$640 and RCE fee of \$370 have been charged to Deposit Account No. 05-1135, as authorized.²

The Terminal Disclaimer filed with the instant petition is not required since the application was not filed prior to June 8, 1995. Therefore, the Terminal Disclaimer has not been accepted and will not be entered, but will remain in the application file.

The application file is being forwarded to Technology Center 1600 for consideration of the RCE, filed January 11, 2002.

Telephone inquiries concerning this decision should be directed to the undersigned at (703)305-0272.
